## Lesson Materials Organizer

This organizer is designed for use by teachers as a quick reference to help them prepare materials for an introduction and/or practice activity. **Prerequisites should always be met before any activity is presented, as noted in the teaching instructions and practice materials.**

All Multisensory Letter Introductions require a set of linkage papers, a pencil in a pencil frame, and a small mirror for students. The teacher requires all the materials for an MLI and/or concept listed in the Review Column.
